About the Generator

With our limited-time offer, you'll receive a 24kW Home Gas Standby Generac Generator. It will be installed outside your home and run on natural gas.

It will also be pre-tuned before closing so it can run continuously for 3-5 days in the event of a loss of electricity. When electric power fails, the home standby system will kick into action to power your home (based on available natural gas) whether you're at home or not.

In addition, the installer offers a five year limited warranty at no expense to you, which includes:

- Annual check-up visits
- Oil changes
- Head/valve adjustments
- Battery adjustments

Take advantage of this offer and keep your home powered with an automatic home standby generator that activates when you need it most!
