

POWER UP YOUR NEW HOME

Peace of mind comes standard with Highland Homes.

Enjoy the comfort of knowing your home will be prepared for any unexpected outages, all while enjoying the style and quality of a Highland Home.

Purchase a single-family new **build** home in Houston and receive a

**FREE 24kW GENERAC
NATURAL GAS GENERATOR***

–OR–

\$15,000**

towards design studio options

Offer available June 1 – August 31, 2025

*24kW Generac generator promotion is valid on single-family build-to-suit homes (excluding townhome products) in the Houston market. Eligibility for this promotion requires an original contract with Highland Homes signed on or after June 1, 2025, and on or before August 31, 2025. Highland does not provide any warranty (electrical or otherwise) on the installation, service, maintenance, and/or performance of the Generac generator; the only warranty provided on the generator comes directly from the manufacturer's warranty provided by Generac. Promotion cannot be combined with any other offer and cannot be redeemed for cash value. Exclusions may apply. Highland Homes reserves the right to cancel or change this promotion at any time. All rights reserved.

**Offer for \$15,000 towards design studio options is valid on single-family build-to-suit homes (excluding townhome products) in the Houston market.
